

New Safety Group for Construction

- **No Safety Group Administer fees**
- **The potential for a year-end dividend**
- **Stringent membership eligibility increases potential payout**
- **Unparalleled construction knowledge across all divisions within Oryx**

When it comes to construction underwriting, we stand alone.

- Fully insured, dividend-bearing Workers Compensation Safety Group* through an A-rated insurance partner.
- A focus towards promoting employer education with the intent of accident prevention.
- New York State's only Claims department fully staffed with CRIS designated claims adjusters.
- Construction specific safety programs designed and implemented by the industry's top Loss Control department.

Specific information concerning the Oryx Safety Group can be found on our website (www.oryxinsurance.com/oryx-workers-compensation-gcd.asp).

Oryx is a national leader in professional underwriting services and support. Working with highly rated insurance carrier partners, the company develops, markets and underwrites admitted insurance products specifically designed for construction industry.
